OLD BUSINESS

- Ferrel Gas - Missy explained there is a dilemma with the tanks. She wants 1 large tank on the visitor side and tanks need placed on the home side where they can be locked up. We need to ask for long regulators from Ferrell. Mark will talk to them Monday to see what they suggest for us for games and the fair booth grilling.
- Fair Food License - Mark will call Monday to arrange this.
- Scrub Games Drawing - We need to draw for the prize for kids that worked the scrub games last years season.
- We were on the agenda for the August 5th school board meeting. There has been no word yet.
- Yard Signs & Decals - Order forms were handed out. August 22nd is the due date. Pam asked if we should give order forms to the middle school band kids and we all agreed. She will hand those out tomorrow. The students can choose if they would like the profit to credit to their band trip or general account.
- Ryan suggested we have somewhere to hang uniforms to inspect during uniform handout. We will use the rack in the uniform room.
